

Skagit River Woods

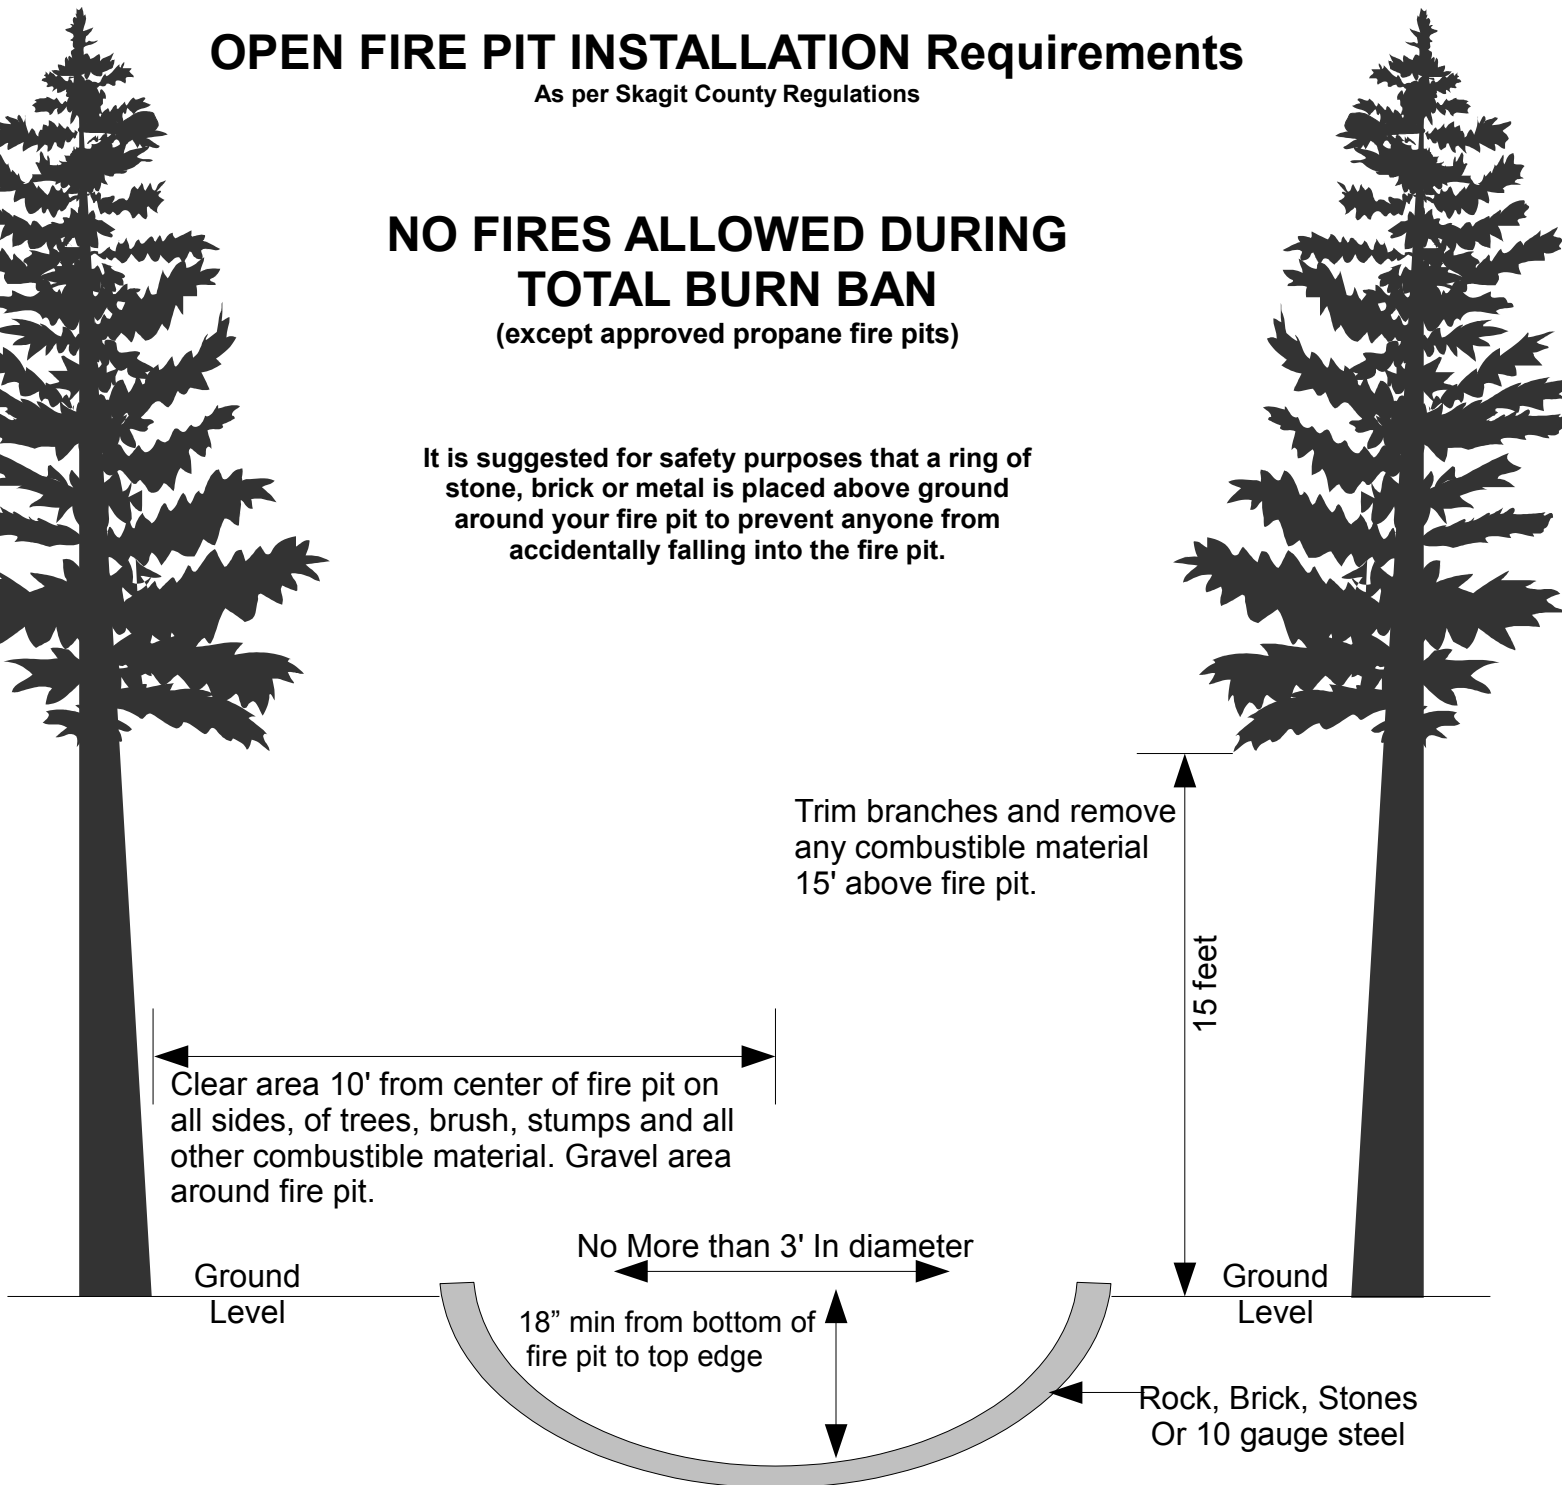

OPEN FIRE PIT INSTALLATION Requirements

As per Skagit County Regulations

NO FIRES ALLOWED DURING TOTAL BURN BAN

(except approved propane fire pits)

It is suggested for safety purposes that a ring of stone, brick or metal is placed above ground around your fire pit to prevent anyone from accidentally falling into the fire pit.

SRW Bylaws Article 10, Section 19 Fire Regulations, Section 21 Burn Ban

1. Do not leave campfires unattended.
2. Do not allow children to play with firebrands.
3. Put campfires out with water before leaving campsite for any reason.
4. Do not burn when wind will scatter sparks.
5. Do not burn materials that will create offensive odors or smoke.
6. Debris burning is permitted in piles no more than 4 feet in diameter and 3 feet in height on bare ground at a distance adequate to prevent fire escape in a location approved by manager.
